Subject: Student/Athlete Extra-Curricular Activities Physical Examinations

COVID-19 has caused us to cancel our annual physical examination program that we have brought to your schools and institutions over the last several years. As you are aware, the UIL and TAPPS have changed the requirements for pre-participation physical examinations for the 2020-2021 school year.

We would advise that you ask your students to reach out into our medical community and have the school physical examination completed by a local healthcare provider. There are several options in our Greater Houston Area, and we have attached some providers to this letter to share with your students. If your students utilize Memorial Hermann please advise them to schedule as soon as possible to make sure they beat the potential rush later in the summer.

When scheduling be sure to ask for the School Physical Examination and not the annual Well Check Examination. The cost of a School Physical Examination from Memorial Hermann site is \$30. **Please bring your school Physical and Healthcare questionnaire forms to your appointment as most of the physicians will not have them in their office.**

Should you have any questions feel free to reach out to myself for further clarification.

MHMG Local Offices are available to schedule these School Physicals and here are the locations listed below and the Physicians each office.

Memorial Hermann Medical Group Physician Offices:

Dr. Aryanna Amini, Dr. Nota Hunter
